

Westland High School Vocal Music Boosters

Welcome to start of another exciting school year fellow Westland choir parents! We are very excited to get this school year started, and have some really fun and exciting things planned for the upcoming year. That being said, we need your help to make this year as great as we are planning!

It has often been asked why the boosters exist. Our purpose is to help raise money and awareness within our community for the fantastic Westland High School vocal music program. Through our fundraising efforts and the generous contributions of the families and companies in the community, we have been able to reduce the financial obligation for parents so the joy of singing can be experienced by all students. Financial donations also help us to purchase props, music, guest clinicians, and contest entry fees. Of course, money is just a small part of the booster program. We also help with planning special events, rewarding the students for their awesome work at concerts and competitions with pizza and cupcakes, and also getting out in the community and spreading the word about the vocal music program here at Westland High School.

Membership only costs \$5 for an individual membership or \$10 for the entire family. Membership is valid until the end of the school year, June 2017. Included with your membership is free admission to the Spring Sing concert, which is one of the most fun and incredible shows that really showcases the talents and abilities of our students! With a family membership, admission to the show is free for parents and siblings of the student. Additionally, your membership awards you the opportunity to vote in officer elections in May. Finally, your membership also shows your commitment to making the Westland High School Vocal Music Program all it can be!

Feel free to contact us at WestandChoirs@gmail.com with any questions or ideas you may have, or to help with any of our events. We are always looking for new ideas and appreciate any help you can give!

Help us make this year a great one by filling out the information below and returning it, along with your check payable to Westland Vocal Music Boosters to Mr. Rone, or if you prefer, bring it with you to the first booster meeting on September 7th.
