

Westland High School Vocal Music Boosters

Dear Parents / Supporters,

The **Westland High School Vocal Music Program** has an amazing year of concerts and showcases scheduled for your students and our community for the 2018-2019 school year.

Parent support is a vital part of a successful choral program and the **Westland High School Vocal Music Boosters** dedicated to enhancing and supporting our students.

We encourage you to become active, engaged members of the **Westland High School Vocal Music Boosters**. It is through your involvement that will continue to make vocal music a vibrant part of your child's high school experience.

Your individual \$5 contribution or \$10 family contribution to the **Westland High School Vocal Music Boosters** will help us reduce the financial obligation for students so everyone can experience the joy. Your donation also allows us to purchase props, music, guest clinicians, and pay contest entry fees.

As a thank you for your contribution, your membership card will grant you free access to our end of the year showcase called **"Spring Sing!"** on Thursday, May 9th.
